## Youth Employees *Return*

This summer, the City of Salisbury welcomed its seventh year of Summer Youth Employees. The Summer Youth Employment program provides a six-week employment opportunity, designed to give high school and college students the knowledge and skills they need to succeed post-graduation. Those selected as summer youth employees spend time in different city departments such as IT, Planning, Parks & Rec, Communications, Transit, and more.

First time intern, Asantwa Smith, said she learned about the opportunity through an advertisement posted at Salisbury Transit.

When asked about what she enjoyed as a summer youth employee, Asantwa replied, "My favorite thing about interning with the City of Salisbury is the fact that I get to learn more about different departments within the city. I also received a better understanding of everything that takes place behind the scenes."

While the experience had a lot of "up's" Asantwa said the one thing she found challenging is accepting that the program is coming to an end. "I found myself realizing everything I accomplished throughout the six weeks and how amazing it all was. I would absolutely participate in the Summer Youth Employment program for a second summer."

The Summer Youth Employment Program is a great way to gain work experience, make valuable connections, and get involved in the community. For more information on next year's summer internship opportunities, visit [salisburync.gov/HumanResources](http://salisburync.gov/HumanResources) in early spring of 2020.

## SPD Initiatives

The Salisbury Police Department has some cool, new initiatives happening right now, including the Crime Watch YouTube Channel, Salisbury Camera Action Network (SCAN), and #SummerCeaseFire. Here's how you can get involved!

In partnership with the Salisbury-Rowan National Association for the Advancement of Colored People (NAACP), the Salisbury Police Department announced its #SummerCeaseFire campaign, encouraging youth and adults to stop gun-related assaults in the summer of 2019.

The NAACP has identified individuals in the community who will serve as de-escalators in the midst of potentially violent situations. For more information regarding Summer Cease Fire, contact Marcus L. Fairley at [marcus.fairley@naacpnc.org](mailto:marcus.fairley@naacpnc.org)

## CRIME WATCH SALISBURY POLICE DEPARTMENT

Subscribe to our YouTube Channel: Crime Watch!

The Salisbury Police Department invites you to subscribe to its new Crime Watch YouTube channel, a depository of surveillance videos of crime events within city limits. The channel is an enhanced method to identify suspects of various incidents.

Typically, the department shows still surveillance images of suspects on its social media platforms or via the news media. But watching video of suspects in action — the way they walk or other physical mannerisms — may lead to an arrest more quickly.

To become a part of the community-policing partnership in solving crime, visit [salisburync.gov/crimewatch](http://salisburync.gov/crimewatch) and subscribe.

SUMMER  
CEASE  
FIRE

As always, you can find out more information on these initiatives and more by going to: [www.salisburync.gov/Police](http://www.salisburync.gov/Police).

The Salisbury Camera Action Network (SCAN) program, which debuted last month, allows residents and business owners to register their private cameras, such as Nest or Ring, with SPD to help solve crimes in their area. Home and business owners can register their cameras through an online form at [salisburync.gov/SCAN](http://salisburync.gov/SCAN).

Only authorized members of SPD will have access to the information. Relevant information is reserved for official use by SPD and will not be released to any member of the general public or media. In the event of a crime, authorized SPD officers will contact the camera owner directly, using the information provided to request the appropriate video surveillance footage.

## Free Camp For Youth

Mayor's baseball youth camp now open for registration!

Salisbury Mayor Al Heggins will host area youth at a free baseball camp as part of the annual United States Conference of Mayors' (USCM) support of Major League Baseball's (MLB) "PLAY BALL SUMMER" initiative. The program focuses on the fun nature of baseball, and encourages an active and healthy lifestyle for children in all communities.

On Saturday, Aug. 31, from 9 a.m. to noon at the Catawba College Newman Park baseball field located at 598 Summit Ave., there will be a baseball camp for Salisbury boys and girls, ages seven to 15. The camp will be led by Catawba College baseball and softball teams, who will teach the fundamentals of baseball.

Free transportation will be provided from Hall Gym beginning at 8:30 a.m. on Saturday, Aug. 31. Pre-registration is recommended by calling (704) 638-5286 or online at [www.salisburync.gov/play](http://www.salisburync.gov/play).

Information is available at [PlayBall.org](http://PlayBall.org), which provides parents, coaches and children with information about baseball skills, links to youth-related news and events, searchable maps with links to community baseball leagues, health and safety information.
